

Press release, December 2, 2024

BT Leasing and OTP Leasing merged

- The merger of the two companies contributes to strengthening BT Leasing's market position.
- BT Leasing reaches 35,000 customers.
- OTP Leasing is the fourth company BT Leasing has merged with in the last six years.

[Banca Transilvania](#) Group announces the first merger of OTP Group's subsidiaries [acquired](#) this year: [BT Leasing](#) and [OTP Leasing](#).

"The merger with OTP Leasing will help BT Leasing strengthen its market position, expand its customer base and diversify its alternative finance offering, in addition to our above-market organic growth. BT Leasing has now assets of €1.2 billion, 35,000 customers, 45,000 contracts and almost 350 employees. We would like to thank everyone who contributed to the success of this integration," said Ionuț Morar, General Manager, BT Leasing.

BT Leasing has so far acquired four companies, OTP Leasing (2024), Tiriac Leasing (2022), Idea::Leasing (2021) and ERB Leasing (2018).
